zix

The Benefits of Enriching Office 365 with ZixEncrypt

Many of our **19,000 customers** are migrating to Office 365 and enriching their email encryption with Zix.

HERE ARE THE
TOP **5** REASONS

why you should join them in expanding email protection with ZixEncrypt:

1 With nearly **20** years of experience,

automatic email encryption with our pre-built **policies and filters** maximizes peace of mind while minimizing false positives.

2 ZIX ENCRYPTS

1.1 million messages a day, **with** **70 percent** exchanged securely and transparently

without any extra steps or passwords from senders or recipients and 0 effort from your IT team.

3 When encrypted emails cannot be exchanged transparently, ZixEncrypt offers the most robust delivery options

to enable
✓ **CONVENIENT** and **SECURE** ✓

access to your recipients.

4 **Delivery is enhanced with a seamless mobile experience**

to ensure encrypted email is convenient for anyone, anywhere and on any device.

5 Getting started is easy with a Zix expert by your side to

make deployment smooth,

manage any questions and

accommodate custom requirements.
